POLCYB International Law Enforcement Cybercrime Award 2025 (I.L.E.C.A. 2025)

POLCYB INTERNATIONAL LAW ENFORCEMENT CYBERCRIME AWARD (I.L.E.C.A.) 2025

CALL FOR ENTRIES

The Society For The Policing Of Cyberspace (POLCYB) is pleased to announce the “POLCYB International Law Enforcement Cybercrime Award 2025” (I.L.E.C.A. 2025).

SUBMISSION DEADLINE:

ALL Applications MUST BE RECEIVED by POLCYB, ON, OR BEFORE: Pacific Standard Time (British Columbia, Canada): January 10th, 2025, 17:00 hrs., Friday.

ANNOUNCEMENT OF I.L.E.C.A. 2025 GOLD WINNER:

One (1) submission will be selected to receive the Award.

Date of Announcement:

- Pacific Standard Time (British Columbia, Canada): January 23rd, 2025, BEFORE 17:00 hrs., Thursday.
- The Head and the Principal Law Enforcement Officer of the Law Enforcement Agency, as listed in Section 2 of the I.L.E.C.A. Submission Form, will be contacted by the Executive Director of POLCYB via email and by phone.

The POLCYB International Law Enforcement Cybercrime Award (I.L.E.C.A.) is awarded to law enforcement agencies in recognition of exemplary achievements in cybercrime management through innovative collaboration with industry partners. The POLCYB I.L.E.C.A. offers a unique opportunity to showcase the impactful contributions of effective law enforcement-industry partnerships to the global efforts in cybercrime prevention, detection, and response.

We invite law enforcement agencies around the globe to apply for the prestigious POLCYB I.L.E.C.A. 2025.

No Application Fee is required.

The I.L.E.C.A. honours exemplary achievements in one, or more, of the following goals:

- **Prevention of Cybercrime**
- **Detection of Cybercrime**
- **Response to Cybercrime**

The successful submission will have demonstrated effective and innovative partnerships between the law enforcement agency and one or more Industry partners to achieve the above I.L.E.C.A goals.

Applications will be reviewed by the POLCYB I.L.E.C.A. Review Panel which will consist of law enforcement and industry subject matter experts within the international POLCYB network.

POLCYB International Law Enforcement Cybercrime Award 2025 (I.L.E.C.A. 2025)

The I.L.E.C.A. 2025 Award

While entries should be submitted in the name of individuals, the “**I.L.E.C.A. Winner**” will be presented to the **Law Enforcement organization** at which the winning initiative/investigation is being undertaken, or was completed.

The International Law Enforcement Cybercrime Award consists of the following:

For the “**Principal Project Officer**” of the Law Enforcement Organization:

- **All travel and accommodation expenses** paid by the POLCYB I.L.E.C.A. to attend the **four-day, Annual Policing Cyberspace International Summit 2025 (Annual POLCYB International Summit 2025)**:
 - ❖ **Summit Dates: 17th - 20th March 2025, (Monday – Thursday)**
 - ❖ **Summit Venue: Bangkok Marriott Sukhumvit, Bangkok, Thailand.**
 - ❖ **Complimentary Summit Registration.**
 - ❖ **Present the Winning Project at the Summit.**

For the **Law Enforcement Organization**:

- The full name of the law enforcement agency will be inscribed on the “**International Law Enforcement Cybercrime Award 2025 Trophy**” as the “**Winner of the I.L.E.C.A. 2025**”.
- **The Trophy** will be presented to the designated representative of the Winner. This could be the **Principal LE Member** or an alternative designate determined by the law enforcement agency at the Annual POLCYB International Summit 2025.

For the **Principal Industry Partner**:

- **Complimentary Registration at the POLCYB Summit 2025.**

The **Principal Project Officer**, and / or the **Head, of the Law Enforcement Organizations, and the Principal Industry Partner (as listed in Section 2 of the I.L.E.C.A. Submission Form)** will be invited to participate at the **Press Conference at the Annual POLCYB International Summit 2025.**

The I.L.E.C.A. 2025 Gold Winner will be requested to provide an additional Abstract for the purpose of public publication.

POLCYB International Law Enforcement Cybercrime Award 2025 (I.L.E.C.A. 2025)

General Eligibility

"Cybercrime" in the I.L.E.C.A. programme refers to:

- **Cyber-dependent crimes:** These are crimes that can only be committed using computers, computer networks, or other forms of information technology, including, but not limited to:
 - ◆ Hacking or unauthorized access to computer systems.
 - ◆ Denial-of-Service (DoS) attacks.
 - ◆ Malware distribution, including viruses, ransomware, and other types of malicious software.
 - **Cyber-enabled crimes:** These are traditional crimes that are facilitated or made easier through the use of computers or the internet, including, but not limited to:
 - ◆ Fraud (e.g., online scams, identity theft, and financial fraud).
 - ◆ Child exploitation, including the production, distribution, and possession of child sexual abuse material.
 - ◆ Cyberbullying or online harassment.
 - ◆ Trafficking and illegal trade (e.g., drugs, weapons, and counterfeit goods conducted over the internet).
-

- The **I.L.E.C.A. is open to all Law Enforcement organizations of any size, worldwide.**
- Law enforcement members from **any unit, section, department** who have expended their efforts to achieve the I.L.E.C.A. Goals, including those who undertake the work on a volunteer basis, are encouraged to apply.
- The initiative/investigation ("Project") could be of a local, and / or national, and / or international nature.
- Projects could include which are/were Pilots or Proof of Concepts, ongoing, or completed, e.g. cybercrime prevention public education initiatives.
- Projects which involved **investigations must be completed PRIOR to the I.L.E.C.A. Submission.**

Who are the "Industry Partner(s)"?

- An "Industry Partner" in this award programme is a **registered, commercial organization** which operates at the **local, and / or national, and / or international** levels.
 - An "Industry Partner" in this award programme does not include organizations which are Crown Corporations.
-

Judging Guidelines

Submissions are judged on demonstrated innovative approaches in the following areas:

- Leadership role and commitment from the law enforcement organization in creating and leveraging Industry Partnerships through this Project.
- Working effectively within the limits of available resources to develop impactful and efficient Industry Partnerships through this Project.
- Demonstrate proactive and / or innovative collaboration with the Industry sector on a local, and / or national, and / or international level to share resources (e.g. financial, expertise, information, technological support) which led to the success of this Project.
- Produced meaningful results which could be used as models for other law enforcement agencies and industry sectors to enhance private-public partnerships in cybercrime management.
- Where applicable, demonstrate innovative approaches or perspectives to measure "success", e.g. definition of "milestones" or "outcomes"; unique methods to assess, and / or evaluate outcomes.

POLCYB International Law Enforcement Cybercrime Award 2025 (I.L.E.C.A. 2025)

“Project Abstract” Guidelines:

1. State the Goal(s) & Objective(s), Target Groups, and other relevant Project information.
 2. Illustrate how the Law Enforcement/Industry Partnership in this Project initiated mutual support through working within the confines of available resources (e.g. sharing of resources &/or information) in the developmental and operational phases of the initiative.
 3. Where applicable, demonstrate how this partnership contributed to effectively address any challenges or barriers in this Project.
 4. Illustrate how this Law Enforcement/Industry Partnership has promoted effective, efficient, and innovative partnerships to achieve the I.L.E.C.A. goals.
 5. Where applicable, illustrate volunteer efforts on the part of law enforcement member(s) and Industry partner(s) which impacted positively to this Project.
 6. Where applicable, include Project Milestones, Evaluation Methodologies, Results.
-

“Supplementary Information” (Optional):

1. **“Supplementary Information” is not considered as part of the Word Count in the “Project Abstract”.**
2. “Supplementary Information” could be submitted as attachments, or links to other Project information. E.g. White papers, evaluation reports, press release, new articles, video links, or other information which supports the work or outlines how the outcomes have been achieved, etc.

How to Submit Your Completed I.L.E.C.A. 2025 Application

1. Please **scan and email all supporting documents. Do not send materials by mail or courier.**
 2. **Please DO NOT SEND Original Copies of Supplementary Information.**
 3. **All I.L.E.C.A. 2025 Submission Forms, Project Abstracts, and Supplementary Information become the property of POLCYB, and WILL NOT be returned to sender.**
 4. Candidates agree that POLCYB may use the names of the initiative/investigation partners and materials in events which are organized by POLCYB, and authorize POLCYB to duplicate and distribute the information within the global POLCYB network for the purpose of sharing models for private-public partnership.
