

THE SOCIETY FOR THE POLICING OF CYBERSPACE

WHO ARE WE?

POLCYB was incorporated as a not-for-profit society in British Columbia, Canada, in 1999. POLCYB operates at an **international** level.

Mission Statement:

The mission of The Society For the Policing Of Cyberspace is to promote cybersecurity through enhancing and developing global international partnerships to prevent, detect, and combat cyberspace crimes.

Our Goals:

- A. To enhance and develop global partnerships to prevent, detect, and combat cyberspace crimes.
- B. To establish a permanent Network for international criminal justice and corporate sectors to share knowledge, information and resources to prevent and combat cyberspace crimes.
- C. To facilitate regional and international forums for private and public sectors to share knowledge, perspectives, and information on cybersecurity.
- D. To provide public education on cybersecurity.

Our Partners:

Our growing global partners are practitioners and subject experts in criminal justice, corporate sectors, and academia, spanning from the United Arab Emirates, Asia Pacific region, Europe, North America, to South Africa. Our Partners include:

- Senior / Executive Management in Criminal Justice & Corporate Agencies
- Investigators
- Law Enforcement Officials
- Forensic Accountants
- Academics
- Judiciary & Practitioners in Legal Professions
- Trainers for Criminal Justice & Corporate Agencies
- Policy Analysts

Our Issues:

Join our leading edge international and inter-disciplinary experts to share information, challenges, and solutions to critical international issues, including but not limited to:

- Legal Issues
- Jurisdictional Issues
- Proactive Policies / Initiatives
- Best Practices in Training and Forensic Investigation
- Training & Recruitment Needs
- Emerging Technologies
- Convergence of Technologies

Topics include:

- Economic Crime
- Organized Crime
- Biometrics/ Identity Management
- Security Risks posed by Social Networking Sites
- Lawful Access
- Privacy / Data Protection
- Cybersafety and Cyber-ethics for Children
- Network Protection Technologies
- Intellectual Property
- Homeland Security / Cyber-terrorism / Critical Infrastructure Protection
- Telecommunications Fraud

Our Activities:

- Annual Policing Cyberspace International Conference
- Regular Seminars & Quarterly Meetings
- POLCYB Speakers Bureau
- Public Education Forums

Join POLCYB as a Corporate Sponsor if your organization wishes to:

- 1 Extend professional regional and global networks.
- 2 Gain direct contact to subject matter experts in your own field and in other sectors.
- 3 Keep abreast of the ever-evolving regional and global cybersecurity information.
- 4 Contribute your cybersecurity expertise to other professionals and the general public.
- 5 Showcase its state-of-the-art technologies to gain further input from practitioners in the private and public sectors.
- 6 Gain secure access to the POLCYB Trusted Community Portal.

Major Initiatives:

■ Annual International Law Enforcement Cybercrime Award (I.L.E.C.A.)

Sponsored by Motorola Information Protection Services, this is the only international award that is offered to law enforcement agencies each year, in recognition of innovation and best practices pertaining to prevention and/or detection and/or response to cybercrime.

■ POLCYB Trusted Community Portal

Accessed only by registered POLCYB Members, and managed by POLCYB, this repository of cybersecurity-related Information offers:

- * Opportunities for members in the private and public sectors to share resources and information via biometric access to the Portal.
- * Controlled access to rooms, arranged according to subject matters.

■ Certification of International Counter-Cybercrime Professionals

The C.I.C.P. aims to enhance the development and recognition of **management skillsets** in, **cybercrime prevention, detection, and / or response** amongst professionals in private and public sectors.
